PROCUREMENT POLICY

25X1A

1. Attention is directed to [REDACTED] which sets forth policy and procedure governing the procurement activity of the Agency.
2. Effective immediately every effort consistent with the successful accomplishment of the Agency's mission will be made to obtain competitive bids to meet Agency requirements, including research and development, except when competition is clearly not practical or possible. Incentive clauses will be included in Agency contracts whenever they will reduce potential cost, accelerate delivery, or assure a higher quality of performance.
3. All proposals, other than technical "state of the art" explorations, will be obtained in writing by or through the Office of Logistics.
